Tourist Programmes: We offer participants and accompanying persons the opportunity to visit and get to know some aspects of the social and cultural life of the Veneto Region, suggesting some interesting places. See below the tourist programmes that we have prepared for you:

Monday 19 July 2021. Padua and Chioggia, with fish lunch.

Program

Morning departure from the hotel by coach to Padua. Guided tour of the city. Padua can be easily visited, even if it is raining or hot, finding shelter under 12 km of arcades with very different styles. Padua is known by many as the city of the three "sin": the city of the saint without a name, because Antonio for the Paduan people is "the Saint", the city of the Café without doors because the historical Caffè Pedrocchi was open at any time, even at night and the Prato without grass because this monumental square, called "Prato della Valle", was originally a marshy area. Around noon, transfer to the surroundings of Chioggia. **Lunch in a restaurant with a fish menu.** In the afternoon guided tour of Chioggia known as "little Venice", divided in two parts by the Vena canal, suspended between the land and the sea with its typical herringbone shape. Walking along the streets and bridges it is possible to admire all the charm and elegance that the city conveys: the Venetian style buildings, the characteristic Chioggia boats called "Bragozzi" with their colourful sails, the Corso del Popolo, the Duomo, the Town Hall and the Campanile. Return to the hotel in the afternoon.

Price of the excursion: **85€.**

Included:

Travel by G.T. coach

Full day guide service

Fish for lunch

Price calculated with a minimum of 40 participants.

The tour will take you through the streets of the centre starting from Piazza Matteotti, through the most beautiful streets of the city, focusing on the most important buildings. **Around midday lunch in a restaurant with tasting of the famous "Baccalà alla Vicentina".** Arrival in Bassano del Grappa in the afternoon, free time with the possibility to taste the famous grappas of the area.
